911 system adopted

Residents of Palm Beach County, including Belle Glade, South Bay and Pahokee, will no longer have to look up telephone numbers of fire and police departments in the heat of emergencies.

Beginning Tuesday, December 15, the entire county will be under an Enhanced 911 system, according to Bob White, Southern Bell Telephone Company's Local Manager.

Instead of wasting precious moments looking for numbers, residents can simply dial 911.

Pahokee to celebrate 60th

PAHOKEE - The Pahokee Chamber of Commerce announced Monday, Dec. 7, that the Freedom Festival, normally celebrated July 4, will be moved to March for 1982.

The festival will be tied in with the city's 60th anniversary celebration March 19-21.

The only festivities scheduled for July 4, 1982 will be the traditional fireworks.

The chamber is still searching for a name for the special celebration.

ONE PERSON died Friday morning in a blaze on the second floor of this building on Southwest 5th Street in Belle Glade.

Firemen are shown recovering fire hoses after putting out the fire.

Man dies in fire

By JEFF BROWN

BELLE GLADE - A Friday morning fire claimed the life of a Belle Glade resident, according to the Belle Glade fire and police departments.

Jesse Steplight, 66, of 216 SW Fifth Street, died of smoke inhalation when he was trapped in the bathroom of the rooming house when the blaze broke out, according to Detective Jack Fulenwider of the Belle Glade Police Department.

Others in the building escaped without injury.

The Belle Glade Fire Department responded to the 9:58 a.m. call with two pumps and a rescue truck and had extinguished the fire within 20 minutes, according to Fire Department Captain Jesse Womack.

The State Fire Marshall is expected to arrive next Tuesday to conduct an investigation of the scene, according to Womack.

Unofficial estimates place the damages at approximately \$10,000.

According to Womack, the fire was confined to one room and broke through the ceiling to the attic.

2nd shop at home winner chosen

By ALMA HENRY

PAHOKEE - Miss Barbara Freeman of 2566 E. Main St., is the second lucky winner in the Pahokee Chamber of Commerce Shop At Home weekly contest.

Miss Freeman, employed by the Palm Beach County School Board as a cafeteria worker at Pahokee High School, was presented a check for \$50 by Mrs. Diane Hall, vice-president of the Pahokee Chamber of Commerce.

Mrs. Hall presented the check to Mrs. Freeman Tuesday at the First American Bank in Pahokee.

Miss Freeman when presented with the check, said it was the first time she had won money in a giveaway.

Miss Freeman joins last week's winner, Juanita Hanks, in celebrating the Second Annual Pahokee Shop At Home Contest. The third drawing for \$75 will be held Dec. 14 and the final drawing for \$100 will be held Dec. 21.

Local residents are encouraged by the Chamber of Commerce to register for the contest at one of the many participating businesses.

The annual contest is sponsored by the Chamber as an incentive for Pahokee residents to shop at home this Christmas instead of traveling to the coast to do their Christmas shopping.

Staff photo by Alma Henry

THE LUCKY WINNER in the second weekly drawing of the Pahokee Shop At Home contest sponsored by the Pahokee Chamber of Commerce was Miss Barbara Freeman. Mrs. Diane Hall, vice-president of the Chamber of Commerce, presents the check for \$50 to Miss Freeman as George Hannah, an official for First American Bank looks on. Miss Freeman entered the contest at the local bank.

Advertising staff appointment made

Publisher Garry Bumgardner this week announces the addition of advertising representative Camilla Morris to the staff of the Herald-Observer, serving the Belle Glade, Pahokee, South Bay, and Canal Point areas.

Mrs. Morris will be assisting advertising manager Kim Allen. She is a veteran of 20 years newspaper experience and has held editorial and advertising positions on both daily and weekly newspapers. Prior to moving to the Glades, Mrs. Morris was advertising coordinator for all church advertising in the Fort Myers News-Press.

She was born in Lordsburg, N.M., and raised in Globe-Miami, Arizona. She attended Arizona State University at Tempe, and Yavapai College in Prescott, Ariz.

Mrs. Morris is the mother of two sons, Tim, 21, and Michael, 11.

Camilla Morris

Hunter wades to the rescue of 3 victims

By JIM JONES

Gene McMahon was returning from a day of hog hunting in the LaBelle area about 2 a.m. Sunday morning when he glimpsed something out of the corner of his eye.

He traveled on several more miles before deciding to turn back to investigate what he had seen near Goodno - about six miles east of LaBelle - just off State Road 80.

By turning back, he discovered three Mexican men who had been injured when their car left the highway at high speed, jumped a canal, and turned over three to four times, shearing off saplings for about 60 feet.

Their 1973 Ford was destroyed in the accident.

McMahon, 40, a resident of 1133 Wedgworth Road, Belle Glade, had been attracted by a reflector strip on the wrecked vehicle, which

had rolled so far off SR 80 as to be almost invisible from the roadway.

"One fellow was in the canal in water about chest deep. He was disoriented and in shock and wading down the middle of the canal. I got him out and laid him down on the side of the road. He had a broken hand. I could hear the other people in the car," McMahon said.

Although the temperature was in the low 40s, McMahon jumped into the water to take a rain coat and some dry clothing to the men in the car.

"I'm used to being out in the woods like that hunting, so it doesn't bother me," said McMahon.

He helped a second victim across the canal, but decided not to move the third man who had a badly broken leg.

"He was in the back seat and I was afraid to

move him. I left one of the hand lanterns with him," McMahon said.

McMahon then tried to flag down passing vehicles to go after help, but none would stop. "Seven or eight vehicles went by. I couldn't believe it," he said.

McMahon built a fire to warm the two victims on the road shoulder, left a lantern with them, and went to Ortona. He knocked on the doors of three houses, but couldn't rouse anyone.

He returned to the accident site and a few minutes later, three semi-professional Fort Pierce football players, George Linsmore, Jr., Robert James Wilson, and Ron Davis, returning from a game in Ft. Myers stopped.

They left a blanket with McMahon and returned to LaBelle for help. Law enforcement

City grievance heard

By JEFF BROWN

BELLE GLADE—A former city employee, claiming he only wants to have his record cleared, was given a hearing before the Belle Glade Civil Service Board Thursday, Dec. 3.

The board is expected to render a decision possibly by Dec. 17 in the case of J.T. McCoy, who was dismissed from his city job as supervisor of Lake Shore Park in August because he allegedly allowed a non-permitted concession to be operated at the park.

Don Mason of Florida Rural Legal Services represented McCoy. John Baker represented the city.

Mason told the board his client was appealing the termination because:

% The city policy on concessions was never communicated to McCoy.

% The firing was actually a result of McCoy's protests on alleged discrimination.

Baker objected to the second reason on the grounds that it brought a political issue into the hearing.

The sole issue was whether he was insubordinate," said Baker.

A policy adopted March 23, 1981, by the city commission prohibited the operating of concession stands at city parks unless a permit had been issued by the commission.

Recreation Director Johnny Rutledge said he had informed his staff of the policy change at a meeting one month later.

McCoy, however, said he was never informed of the policy change until after he violated it by permitting the Glades Youth Athletic Association to operate a concession without proper authorization.

The concession had operated at Lakeshore Park July 10, 11 and 12.

McCoy was fired August 19 because he had violated the policy.

Rutledge testified that at the April 23 meeting with his staff, he discussed all city policies pertaining to use of parks, ball parks, lighting fees and racial discrimination, including the concession policy.

McCoy said the policy on concessions was not discussed and that most of the meeting concerned his protests that little league baseball and softball teams which were not permitting blacks to participate were using Airport Park.

Rutledge said not much time was spent on the racial discrimination issue because "I knew the department had no problem."

McCoy said he had earlier discussed the racial issue with City Manager Rolfe Wagner.

Wagner said he first became aware of the racial problem in March or April, soon after he took

over as city manager.

"I did have an awareness," he said. "At what point in time I became aware I couldn't say."

Wagner issued a memorandum April 13 concerning racial discrimination. It was supposedly this memo which was discussed at the April 23 Recreation Department staff meeting.

McCoy said he believes the racial dispute was the actual cause of his dismissal four months later.

"No doubt in my mind," he said.

He said he was first informed of the concession policy by Rutledge July 13, the day after the unauthorized concession closed.

When the same organization expressed a desire to operate a concession at an August tournament, he informed them they must acquire the appropriate permit from the city commission, he told the board.

He said he would not have permitted the concession to operate if Rutledge had told him not to.

"You never refuse to carry out an order," he said. "You carry them out then express your displeasure."

According to McCoy, city policy was not discussed at the April 23 meeting, the only department meeting he could remember in three years. He said Rutledge had told him the meeting would be about the "racism memo" from Wagner.

Rutledge and Recreation Coordinator Michael Underwood said the policy was discussed at the meeting.

After he discovered the unauthorized concession at the park, Rutledge said he informed the city manager but made no recommendation.

"When I found it, I reported it," said Rutledge, adding that McCoy had told him "I don't go along with what people tell me. If I don't go along with it, I just don't go along with it."

Wagner responded to Rutledge's memo with a memo of his own stipulating that McCoy be fired.

McCoy, currently employed by the Palm Beach County State Attorney's Office, said he was informed by city personnel director Rhoni Cox that he had no appeal in the decision since he was fired by the city manager.

Cox told the board that she informed McCoy a grievance procedure existed.

Wagner said he informed McCoy of the reasons for his dismissal in an informal hearing, and told him he would reconsider it if McCoy had some new facts in the matter.

McCoy had nothing new to change his mind, according to Wagner.

The board decided to defer its decision until its legal advisor had determined whether it must make its decision in public.

Rescue—

Continued from Page 1

officers were unable to immediately locate the wreck because the directions given by the three men were poor.

When help arrived, it arrived in force, including three ambulances, the Clewiston Volunteer Fire Department, Deputies Morris Langston of LaBelle and Carol Hood of Clewiston, and Trooper Tim Seymour.

Although the Jaws of Life that the Clewiston Volunteer Fire Department had been called out for was not needed, the department's flood lights helped illuminate the scene and the fire ladder was used to help carry the third victim across the canal.

Among those helping with the rescue were Bobby Moore, Jimmy McDuffie, Morris Ridgill, Terry Johnson, Mack Harris, Curtis Pelham, and Fire Chief Ernie Miller.

"Carol Hood gave me her jacket. I was about to freeze to death. I appreciated that," said

MaMahan, who stopped in Clewiston for a big cup of coffee about 4 a.m.

The three Mexican men, Alvarez Santiago, 35, of Ellex, N. C., Rafael Rodriguez, 22, of Clewiston, and Jesus Sandoval, 21, of Bond Street, Clewiston, were taken to Hendry General Hospital for treatment.

The driver, Sandoval, was charged with driving under the influence. Santiago was still hospitalized Tuesday with internal injuries. Rodriguez was sent to a bone specialist in Belle Glade.

Asked why he stopped when others went past the accident scene, MaMahan said, "I just felt like it was my responsibility. I was worried about them making it. I couldn't pass anyone by."

Sunday's rescue was not MaMahan's first. He once pulled a pilot out of burning crop duster aircraft in Zellwood.

He has lived in Belle Glade since 1962 and is employed by S. M. Jones and Co. in Canal Point.

He and Mrs. MaMahan are the parents of three children.

Community Relations Board to meet

The Palm Beach County Community Relations Board will meet on Dec. 17, at the

Glades Central High Community School Library, 425 West Canal Street, Belle Glade.

The meeting will begin at 7:30 p.m. and will adjourn at 9 p.m.

The board is interested in learning from the public of any matter causing racial, religious, and ethnic tensions in the community.

Individuals desiring to be put on the agenda or request more information should contact

Community Relations Board Chairman Rabbi Alan Sherman at 832-2120 or Tom White, director of human resources, at 837-2228.

The guest speakers

for this meeting will be Mrs. Hattie Fields, director of CAC target area center, South Bay, Dr. Cecil Conley, provost, Palm Beach Junior College, Glades Campus, Belle Glade.

community should contact Community Relations Board Chairman Rabbi Alan Sherman at 832-2120 or Tom White, director of human resources, at 837-2228.

The guest speakers

for this meeting will be Mrs. Hattie Fields, director of CAC target area center, South Bay, Dr. Cecil Conley, provost, Palm Beach Junior College, Glades Campus, Belle Glade.

Garbage collection, insurance considered

By JEFF BROWN
PAHOKEE—The Pahokee Housing Authority is considering alternative means of garbage collection and contracting a new medical insurance plan due to increased rates for the existing services.

The cost of medical insurance for authority employees has been increased by 80 per cent, according to Randall J. Mills, the authority's executive director.

Employees pay half the cost and the authority pays the other half, he said.

The authority learned that Crown Life Insurance was increasing its group policy premiums two days before a bill reflecting the new rates was received, according to Mills. The company must give 30 days notice before a rate increase, so he recommended the authority's board of commissioners authorize payment at the original rate.

The board approved his recommendation.

According to Mills, the company is attempting to eliminate group plans with 15 or less members by raising the rates. The authority's plan encompasses 14 members.

New medical insurance plans will be presented to the board at the next meeting, Mills said.

The authority could expand its plan to cover employees, but many of them are covered on plans at a spouse's place of work, said Mills.

The South Florida Sanitation garbage disposal company had raised its rates from \$4.50 per month effective Nov. 1 to \$7 per month effective Nov. 1. This resulted in a \$2,800 garbage collection bill for the authority, up from \$1,800.

The increased rates resulted from the necessity of using the Glades Transfer Station at \$21.70 per ton. Garbage used to be hauled to Lantana at \$15 per ton, according to Mills.

Since the authority was given notice of the increase Nov. 11, the board voted to pay the company at the old rate for November, claiming "reasonable notice" was not given.

No notice time is stipulated in the contract between the company and authority, according to Mills.

The authority is examining the possibility of purchasing a garbage truck, gathering its own waste and leasing the truck to the city of Pahokee in exchange for use of the incinerator to dispose authority waste.

The authority would probably operate its truck about 10 hours a week, according to Mills and Authority Chairman Mead Maxwell. In other business, the authority board of commissioners Tuesday, Dec. 8:

• Learned that a lawsuit filed by the parent of a child allegedly injured at an authority operated playground will be heard May 10.

• Learned that the city's new water rates will increase the authority's water and sewage rates by approximately \$25,000 to \$30,000 per year. The new rates were reflected the November bill totaling \$19,000. The new rates will not affect the tenants until next month, according to Mills.

• Were informed by Gloria Newkirk that a Concerned Tenants Committee was formed to bridge the communication gap between the office and the tenants. The committee has five members.

Maxwell informed her that the authority is willing to hear any complaints from any individuals or groups, but must recognize only one bargaining unit for the tenants—the Tenants' Association.

Newkirk said the members of the Concerned Tenants Committee feel the association does not amply represent them.

A PUBLIC SAFETY ANSWER POINT UNIT is inspected by Belle Glade Police Chief Bill Mathis, Mayor Thomas Altman and Southern Bell Manager Bob White. The new 911 system goes into effect Tuesday.

911—

Continued from Page 1

ing up telephone numbers in an emergency, all residents must do is dial 9-1-1 on any county telephone and their call will automatically be routed to the appropriate local agency.

Although the 911 system has been used in some parts of the United States for several years, the system installed in Palm Beach County has features that make it superior to traditional systems, according to White.

Calls will be received at 21 Public Safety Answer Points (PSAPs) throughout the county.

"Many PSAPs have equipment that set our enhanced system apart from traditional 911," said White. "For example, if due to panic or injury the caller is unable to give his location, this information, as well as the caller's telephone number will appear automatically on a screen at many receiving PSAPs."

Not all PSAPs have that equipment, according to White, so callers should remain on the line in case more information is re-

quired. Calls originating from Belle Glade, Pahokee or South Bay will be automatically routed to the respective police department. Emergency calls originating from unincorporated areas in the western part of the county will be routed to the Palm Beach County Sheriff's Office in Belle Glade.

Most of the county's PSAPs are located at police stations since 70 to 80 per cent of all emergency calls are for police assistance, according to White. If the call is for ambulance or fire services, the correct agency can be connected in seconds, he said.

The 911 code can be dialed from any phone in the county and without charge from pay phones, according to White.

Lawn mower bids considered in Pahokee

PAHOKEE—The Pahokee City Council Tuesday, Dec. 8, reviewed quotations for lawn mowers and decided to purchase two mowers from a local dealer if the units meet specifications.

Pahokee Sales Company quoted a price of \$1,560 for one lawn mower and \$3,000 for two, but the council was unsure whether the mowers would meet specifications, including a one year warranty.

Two other bids were received from Wataon Equipment Company. It quoted a price of \$1,500 for one Ariens model, and \$1,280 for a Snapper model.

Those two did not meet specifications, according to the council.

The council voted 4-1 to purchase two mowers from Pahokee Sales if they meet the specifications.

In other business, the Council:

• Learned of a change in the replacement housing units planned by the county department of Community Development.

One of the original 15 lots planned for duplexes will be eliminated, and Fourth Street extended, according to Building In-

spector Slocum.

The county will be responsible for building the streets in the development, said Slocum.

They must also comply with the subdivision section of the city charter.

• Learned from Director of Public Works Donnie Martin that the city incinerator is now permitted. According to Martin, the only problem facing the city is lack of dumping space. The lack of space prevents the city from keeping enough garbage available to keep the incinerator burning without fuel.

• Also learned from Martin that a crusher unit for the back of a garbage truck would cost \$36,000.

• Donated \$100 to the Pahokee High School baseball program for uniforms. Coach Gary McEntire said uniforms will cost about \$700. He said he told the team that he will raise half, but they must raise the other half of the cost. He said he feels this will give them a greater respect for the uniforms.

• Learned from James Sloane, a representative of the Daytona Beach engineering firm Russell and Axon, that

Geotech would conduct 106 tests at the sewage treatment plant for \$20 per test. The total cost would be \$2,520. The tests, which must be completed over a three week period, are mandated by the Department of Environmental Resources.

HOTLINE PROVIDES SERVICE FOR THOSE WITH THE HOLIDAY BLUES

Crisis Line Information and Referral Services Inc. will be in full operation during the holiday season, providing service 24 hours a day, seven days a week, according to Henry Frydan, a CLIRIS public relations volunteer.
CLIRIS aids callers who are in need of counselling services.
According to Frydan, the holiday season is also the worst season for those who suffer from loneliness or depression. CLIRIS, which was involved in more than 150,000 calls last year, attempts to "provide a listening ear" to people with all kinds of problems, according to Frydan.
"We do not divulge any predicament revealed to us, since we do not want any caller to feel that we are publicizing his or her dilemma," said Frydan.
The local crisis line number is 976-1121. The Tel-Med number is 976-1125.

BJUC FASHION SHOW — Karen Parrish of Belle Glade, a Palm Beach Junior College Central student in the Fashion Merchandising Program at the college, is shown as she modeled a plush velvet warm up suit at the recent fashion show presented by the Sales and Marketing/DECA Club. More than 20 students modeled clothing from a number of local stores. Dr. Naomi Conley, Belle Glade, and Theresa Bryant, West Palm Beach, are faculty advisors for the club.

Nuts to the quitters

By Robert B. Delano, President American Farm Bureau Federation
Washington spenders of both political parties are trying to use the current recession to derail the economic recovery program.
They point to high interest rates, depressed industries and rising unemployment as sufficient reason to surrender in the fight against federally-induced inflation.
Surrender?
The best reply I can think of is "nuts!" — the one-word answer used by General Anthony McAuliffe to the Germans when they demanded surrender of the 101st Airborne Division at the Battle of the Bulge.
We have our own battle of the federal spending and taxing "bulge" underway and this is no time to quit.
So far, there have been only modest cuts in federal spending, modest efforts at stimulating production through tax cuts, and only modest lifting of the regulatory burden.
We must not let the budget deficit, no matter its final size this year, be used as an excuse for greatly expanded taxes. While a balanced budget is desirable, it is more important to chop the deficit-building problem off in Washington where it originates — not send new tax

money there to encourage further growth in spending.
Since Oct. 22, we have an official trillion dollar national debt. The interest payment alone on this year will be \$144 billion. That is more money than the entire federal budget in 1963.
The projected federal budget deficit, even with cuts in scheduled spending increases, is expected to top \$60 billion for 1981, with talk of \$100 billion for 1982.
Figures this size tend to become meaningless until they arrive in the form of the new tax bills. As a working member of society, your personal tax share of the interest payment on the national debt alone this year is one thousand dollars.
If your family income has doubled this past 10 years, as seems likely, you will have made virtually no gain in purchasing power, and may have reduced your personal standard of living.
Inflation, the direct result of deficit federal spending and creation of new money to pay for it, has caused today's median family income of \$21,000 to be worth only \$9,970 in 1970 dollars.
Adjusted for inflation which increased all costs again this year, 1981 farm and ranch income will be the lowest in terms of purchasing power of any time in the past 20 years. Genuine inflation control

will do more to improve farm income and rural living standards than anything else.
Although it has barely begun, bipartisan efforts to turn around 30 years of federal mismanagement are definitely working.
The Federal Reserve Board is permitting only moderate expansion of the national money supply at this time, balancing money growth rather well against growth in national productivity.
While inflation remains high, it is drifting down, with the direction more important than the degree right now.
Much more needs to be done, especially to control and pare increases in "entitlement" payments now received by about 70 million American people. These payments are keyed to fully reflect cost-of-living increases caused by inflation, and now consume more than half of the total federal budget.
I say "nuts" to those who would surrender in the war on inflation — who grow weary in the first few months of renewed effort.
The battle for a long-term, stable, sound economy is well underway.
The noise of the frustrated spenders tells me we are winning.

JIM JONES
BOILER PLATE

No news is...

It was one of those weeks when it seemed there was almost no good news, but there were a few silver linings.
Accidents and misfortune seemed to be the order of the day.
There was the case of the car which jumped a canal early Sunday morning and almost disappeared in the undergrowth off SR 80 between Clewiston and LaBelle. Were it not for the sharp eyes of a hunter from Belle Glade, the three occupants of the car might have been stranded a lot longer and in a lot worse condition than they are today.
The flip side is that seven to eight motorists kept going, despite efforts to flag them down for help. It's a sign of the times, however, and perhaps the motorists cannot be blamed.
Especially when hitch hikers thumb rides and then club the driver in the head who stops for them.
All of that cannot obscure Gene McMahon's willingness to stop, however, jump into the cold water, and help three unknown, fellow human beings.
There were other assorted incidents during the week which came across my desk, including a fire, various traffic arrests, and an attempted sexual battery on a child.
Some of this makes you wonder where the human race is headed and then you consider the fact that there is a madman in Libya who chortled over the assassination over Anwar Sadat and has allegedly sent hit squads after Ronald Reagan. He has denied that he is after Reagan, but I think if anyone is lying, it has to be Khaddafi.
The silver lining in the Khaddafi affair is that he is way over there and we are over here. He can keep his oil.

Alpha Phi Omega honors five outstanding men

BELLE GLADE—Several outstanding men and high school students were honored Sunday by the Alpha Phi Omega and the Belle Glade Alumni Chapter of Alpha Phi Omega.

A national service fraternity, Alpha Phi Omega, honored Harvey Poole, Sr., Willie McDonald, Floyd Henry, Jr., and Edwin Coffie at its Second Annual Founder's Day Program held at the Mt. Calvary Baptist Church.

Milton Crittendon presided over the services and the Rev. Tommy G. Bess was the keynote speaker.

Rev. Bess is pastor of the Mt. Zion Missionary Baptist Church and is the assistant Principal of Indiantown Middle School. He also is a member of the Alpha Phi Omega Fraternity.

Rev. Bess delivered his message from the fraternity's national theme, "Meeting The Challenges of Leadership, Friendship, Service: Yesterday, Today and Tomorrow."

The Pahokee High School Chorus under the direction of Kevin E. Boynton, sang on the program.

Each year the fraternity presents its Outstanding Community Service awards to men of the Glades.

This year's recipient Harvey Poole is the former manager of the Okeechobee Center Housing Project, administered by the Belle Glade Housing Authority.

Poole recently retired as manager of the project. He was employed by the Authority for 34 years. A member of the Mt. Zion A.M.E. Church, Poole is one of the Glades foremost radio personalities. He is host of the popular radio program The Spiritual Hour, aired weekly by radio station WSWN.

He is known to his radio audience at the Ebony Voice. Poole began his employment with WSWN in 1947 and is one of the station's original employees.

Willie McDonald, Dean's of Boys at Glades

[Continued on Page 3]

The Rev. Tommie Bess, keynote speaker at the Alpha Phi Omega Fraternity Annual Founder's program, was presented with a plaque of appreciation from James R. West.

Annual Christmas luncheon Dec. 17

The annual Christmas luncheon of the Belle Glade Woman's Club will be held Dec. 17 at 12:30 p.m. at the Civic Center. All members and their guests are requested to make res-

ervations by Dec. 14 as it will be a catered luncheon.

The program will be on international affairs with program chairperson Mrs. Isadore Nachman in charge.

Among the recipients of the Alpha Phi Omega Fraternity Community Service Award was Willie McDonald, an educator at Glades Central Community School. McDonald, left, accepts the award from James Allen, Jr.

EARN A GREAT RATE!

150%*

Reserve Florida National's New Individual Retirement Account and Start Earning High Interest Now!

The new Individual Retirement Account is a great deal. Tax savings now. A secure retirement later. In fact, depending on your age, annual contribution and when you retire, your IRA could be worth \$1 million or even more!

We're making a great deal even better. If you open a pre-IRA plan during December, we will pay you at an annual rate of 15% for up to 30 days (minimum investment \$500). Then, in January, we will offer a better-than-money-fund return of 15% (annual rate) through June 30th on your IRA — a guaranteed high yield in a declining rate market.

Every wage earner is eligible. Whether you're covered by an employee pension

plan or not, you can put up to the maximum \$2,000 in an IRA (\$2,250 if your spouse is not employed or \$4,000 joint deduction if both are employed). These same limits apply to our pre-IRA plan.

With our IRA, you have the added flexibility of earning either of two high yield interest rates after June 30th. Select a longer term fixed rate or a shorter term floating rate. Each of these rates is tied to U.S. Treasury Obligations. With our custom tailored IRA, you decide which return is best — the choice is yours!

Whether you want an IRA for the tax savings or the retirement security, or both, we provide a 15% rate, a choice of floating or fixed rate thereafter, plus the strength of a great statewide bank.

Great State. Great People. Great Bank.

Florida National Bank at Belle Glade

41 S.W. Avenue B, Belle Glade, Florida 33409, 305-966-4441

*15% pre-IRA plan: Backed by securities issued by an agency of the U.S. Government. NOT A SAVINGS ACCOUNT. NOT INSURED BY THE FDIC. IRA: Insured by the FDIC. Substantial interest and tax penalties for early withdrawal.

History—

(Continued from Page 4)

The Palm Beach County Commission took another step in the board's road construction program in the Glades when they voted to furnish the State Road Department with deed to right-of-way for State Road 717. City Clerk Clyde Alley gave a talk on city finances at a luncheon meeting of the Pahokee Lions Club. He was introduced by Mayor Lewis Friend.

The Pan-American Club was to celebrate Christmas with a Christmas Fiesta in the Woman's Club building.

Ritual of jewels degrees were conferred on Mrs. John Sutterfield and Mrs. Alice Griffith by the Beta Sigma Phi Sorority at a dinner meeting in the Woman's Club building.

Mrs. H.J. Anderson, Mrs. L.W. Armstrong and Mrs. Ralph W. Todd entertained at Mrs. Anderson's home with a party and stork shower in compliment of Mrs. Milton Carpenter.

40 YEARS AGO
THE EVERGLADES NEWS
DECEMBER 12, 1941

With the United States at war against Japan, Germany and Italy, the sale of United States Defense Savings Bonds and Stamps received impetus in the Glades area. Postmaster Edward A. Jensen of Pahokee announced bonds and stamps with a maturity value of over \$12,000 had been sold since the federal securities were first issued the previous spring.

Pahokee Post Office had sold \$13,000 worth since the sales started.

At a special meeting of the Florida Defense Council, a goal of \$1,000 was set to be raised to finance purchase of needed equipment and to defray expenses of the organizations activities.

The Glades assumed new importance as the nation considered the food supply during the war.

The Secretary of Agriculture Wickard scans time ago said that, "Food will win the war and write the peace," assumed new importance then when the United States was actively warring all Axis nations.

Residents of Pahokee had to look at a clock to see when it was noon. Pahokee's big siren no longer blew at noon to indicate the time. Use of the siren had been stopped at the request of the Pahokee Canal Point Defence Council.

The siren was to be used only in case of a fire or air raid alarm. The signals would indicate when there was possibility of an air raid.

50 YEARS AGO
THE EVERGLADES NEWS
DECEMBER 10, 1931

New buildings went up in Pahokee recently with the construction of six Craftsman cottages built for L.L. Stuckey in Sunset Villa on the ridge in the north part of the town.

The Florida Power and Light Company made an addition to generating capacity at its plant south of Pahokee near Pelican Lake station. A 300 horsepower unit, Diesel engine and generator, was to provide 200 additional kilowatts and increase the capacity from the 380 k.w. at Pahokee and the 60 k.w. at Belle Glade to a total of 640.

Papaya from Kramer Island were being sold in West Palm Beach and tourists on the east coast were to have an opportunity to

learn the merits of the fruit that grows so well on the muck soils of the Lake Okechobee region.

Barrett's Toggery Shop had made provision to assist East Beach people in the selection of Christmas gifts.

Mr. and Mrs. R.G. Fisher attended the picture show in Pahokee on Friday Evening. C.L. Mote of West Palm Beach was the special officer on duty here in Belle Glade assisting with the problems of increased population and business.

Pahokee police arrest man for theft of TV

PAHOKEE — A Pahokee man was arrested and charged in the December 4 theft of a television, according to the Pahokee Police Department.

Willie James Steele, 28, of 435 Cypress Ave. was arrested Dec. 5 and charged with burglary in the theft of a portable black and white television.

Robert Wright of 425 S. Lake Ave. reported that his house was broken into and the television taken Friday, Dec. 4.

The next day the police were informed that the television was located at 437 Cypress Ave.

The set was located at that address and the proprietor told police that it was pawned by Steele.

Steele was questioned and charged with burglary. The set was estimated to be worth \$129.95.

The Pahokee Police are also investigating an early morning burglary at the Eagle Family Discount Store in Pahokee.

According to Police, the store was broken into between 12:30 and 1 a.m. Dec. 7. A rock was thrown through the front window to gain entry.

A complete list of missing items has not been obtained, but the company estimates that more than 100 watches, a red 20 inch bicycle and clothing items were stolen.

The police are looking for up to three individuals in the incident.

K-9 Jago makes catch Monday

Just three days after returning from a canine course Friday, Palm Beach County Deputy Thomas Lee Brooks and his K-9, Jago, scored their first "catch" Monday.

According to Brooks, Belle Glade Police Officer Frank Mayor observed a motorcyclist riding at a high rate of speed and gave chase down Northwest Avenue L.

Speeds during the chase reached 100 miles per hour and ended when the motorcyclist dismounted and fled on foot at Jim Hook's welding shop on SR 715.

Brooks and Jago were called in and conducted an area search. The suspect was found under a semi tractor surrounded by large sheets of metal and equipment.

James Milford Hardy, 25, of 1306 N. W. 16th St. No. 13, Belle Glade, was charged with fleeing and attempting to elude a police officer and driving while license suspended.

He was booked into Palm Beach County Jail in Belle Glade under \$1,000 bail bond. His charges are a third-degree felony, said Brooks.

HHR seeks to open Glades office

BELLE GLADE—The Hispanic Human Resources (HHR), a non-profit county service for the Hispanic community and other needy individuals in Palm Beach County is looking to open an office in the Belle Glade area.

Executive Director Luciani Martinez of West Palm Beach said

"We are trying to coordinate with local service providers in this area and possibly set up offices in one of their existing facilities."

"We are looking to extend our services in the Belle Glade area since we feel that there is limited access to existing services for the Cuban and Haitian population, because of the language and culture barriers," he said.

According to their brochure, the HHR was formed in 1977 when advocates and leaders in Palm Beach County joined together to meet the social needs of the community.

Services the organization provides, according to Martinez, include transportation, outreach, blood pressure service and community education and orientation in health services.

The agency is currently funded through a variety of resources including the Palm Beach County Board of Commissioners, Employment and Training Administration Title III-B, Senior Citizen monies, State of Florida Community Service Trust funds, Action-Vista funds and local donations and or contributions.

"We were recently awarded a grant from the Department of Health and

Rehabilitative Services, State of Florida to provide services for the Cuban and Haitian population of Palm Beach County," Martinez said.

In Belle Glade, if the service is implemented, Martinez said social workers will be available who speak Spanish and Creole and will be serving as interpreters for the clients and HHR will provide transportation to the area providers.

The local contact for HHR is Celso Brillas, a member of the Board of Directors and a teacher at Gladesview Elementary.

Martinez said they are currently recruiting for workers who are bilingual and can work with the Haitian community. He said the job can be applied for by contacting the HHR in West Palm Beach at 659-0964.

Title I meeting Dec. 16th

The third Title I Parent Advisory Council meeting will meet on December 16 at 7 p.m. in the cafeteria of Lake Shore Elementary School. The program will feature a covered dish buffet and Christmas social.

THE ALPHA PHI OMEGA FRATERNITY honored several outstanding men in the community Sunday at its Annual Founder's

Day Program. Honored were (from left) Edwin Coffie, Harvey Poole, Sr., Willie McDonald, and Floyd Henry.

Service awards presented

(Continued from Page 3)

Central Community School and track coach was also honored by the Alpha Phi Omega Fraternity. A Glades native, McDonald graduated from Lake Shore High School and Bethune Cookman College of Daytona Beach.

Termed a "father figure" by most of the students he helps daily at Glades Central, McDonald has secured more than 35 scholarships for male athletes attending Glades Central.

McDonald also is a former football coach at Glades Central and his son, Raymond, a senior at Glades Central, was a member of the Raider's football team.

In saluting outstanding young men in the community, the fraternity selected high school seniors, Edwin Coffie at Glades Central and Floyd Henry at Pahokee High School.

Coffie a Student Council Officer, also is a

member of the Glades Central Chorus and can be found demonstrating his musical talents on many local church programs.

Henry, the team captain of the Pahokee High School basketball team, also is a member of the chorus. He sings with the FHS Chorus, directed by Kevin Boynton.

Many Greek, social and community organizations were present at the program.

Members of Alpha Phi Omega are James Allen, Jr., Frederick Bass, Willey Joe Bastia, Renard Bonnet, Kevin Boynton, Cleveland Byrd, George Clark Crittenden, Milton Crittenden, Ollie Davis, Jr., James Eccles, Gary Fletcher, Willie Lewis Floyd, George Hannah, John Henry Holman, Anthony Jones, David Martin, Ronald McMillan, Henry Miller, John Morris, Willie Pyfrom, Antoine Russell, Johnny Rutledge, Willard Ray, Jr., and James West.

By ALMA HENRY

In the holiday spirit of love and giving, more than 300 well-wishers attended the American Cancer Society Fashion Luncheon held at the Belle Glade Elks Club Saturday.

The large attendance helped the Glades Area Cancer Crusade Committee reach its pledged financial goal.

Mrs. Halalash Nachman, luncheon chairman, said although figures are not in for the amount of money raised by the luncheon, two anonymous \$1,000 donations were received.

The fashion show featured what to wear to Christmas parties, what to wear to church services, how to be the sharpest dressed golfer at the Belle Glade Country Club, and how to dress snugly for Santa.

The show, emceed by Laura Hayes, featured local models Luke Weeks, John Wright, Vickie Wright, Sharon Wedgeworth, Dolly Hand, Bar-

bara Kight, Martha Lynn Weeks, Chris Kirchman, Yvette Garcia, Deirdra Orduna, Stella Turner, Pat Angel, Eva Sue Kidder, Deena Lee, Deena Stokes, Rose McGhee, Paige Poole, Lisa Howard, Louise Herring, Kim Barton, June Boglioli, Nidia Garcia, Patricia Rogers, Terri Gressinger, Pam Miller, and Sherri Davis.

All the holiday glitter and gold fashions were provided by The Pro Shop, Kim and Tim, Town and Country, Barbara's, The Haze, The Apple Green, Sweet'n Sassy, and Lady Athena.

Among the many special guests in attendance at the luncheon were Mrs. Sandra Chamblee, chairman of the Palm Beach County Cancer Society; Mrs. Kay Mansello, chairman of the Crusade Committee for Palm Beach County; and Tam Altman, chairman of the Crusade Committee Glades Area.

READY FOR THE NEW YORK WINTER WEATHER IN SUNNY FLORIDA is Mrs. Eva Sue Kidder in the latest in sweater fashions from LADY ATHENA.

MISS DEENA LEE could easily have been headed for a Glades Day School sporting event in this smart outfit from KIM AND TIM.

HHR seeks to open Glades office

BELLE GLADE—The Hispanic Human Resources (HHR), a non-profit county service for the Hispanic community and other needy individuals in Palm Beach County is looking to open an office in the Belle Glade area.

Executive Director Luciland Martinez of West Palm Beach said

"We are trying to coordinate with local service providers in this area and possibly set up offices in one of their existing facilities."

"We are looking to extend our services in the Belle Glade area since we feel that there is limited access to existing services for the Cuban and Haitian population, because of the language and culture barriers," he said.

According to their brochure, the HHR was formed in 1977 when advocates and leaders in Palm Beach County joined together to meet the social needs of the community.

Services the organization provide, according to Martinez, include transportation, outreach, blood pressure service and community education and orientation in health services.

The agency is currently funded through a variety of resources including the Palm Beach County Board of Commissioners, Employment and Training Administration title III-B, Senior Citizen monies, State of Florida Community Service Trust funds, Action-Vista funds and local donations and or contributions.

"We were recently awarded a grant from the Department of Health and

Rehabilitative Services, State of Florida to provide services for the Cuban and Haitian population of Palm Beach County," Martinez said.

In Belle Glade, if the service is implemented, Martinez said social workers will be available who speak Spanish and Creole and will be serving as interpreters for the clients and HHR will provide transportation to the area providers.

The local contact for HHR is Celso Brillas, a member of the Board of Directors and a teacher at Gladesview Elementary.

Martinez said they are currently recruiting for workers who are bilingual and can work with the Haitian community. He said the job can be applied for by contacting the HHR at West Palm Beach at 659-0964.

Title I meeting Dec. 16th

The third Title I Parent Advisory Council meeting will meet on December 16 at 7 p.m. in the cafeteria of Lake Shore Elementary School. The program will feature a covered dish buffet and Christmas social.

THE ALPHA PHI OMEGA FRATERNITY honored several outstanding men in the community Sunday at its Annual Founder's

Day Program. Honored were (from left) Edwin Coffie, Harvey Poole, Sr., Willie McDonald, and Floyd Henry.

Service awards presented (Continued from Page 5)

Central Community School and track coach was also honored by the Alpha Phi Omega Fraternity. A Glades native, McDonald graduated from Lake Shore High School and Bethune Cookman College of Daytona Beach.

Termed a "father figure" by most of the students he helps daily at Glades Central, McDonald has secured more than 35 scholarships for male athletes attending Glades Central.

McDonald also is a former football coach at Glades Central and his son, Raymond, a senior at Glades Central, was a member of the Raider's football team.

In saluting outstanding young men in the community, the fraternity selected high school seniors, Edwin Coffie at Glades Central and Floyd Henry at Pahokee High School.

Coffie a Student Council Officer, also is a

member of the Glades Central Chorus and can be found demonstrating his musical talents on many local church programs.

Henry, the team captain of the Pahokee High School basketball team, also is a member of the chorus. He sings with the PHS Chorus, directed by Kevin Boynton.

Many greek, social and community organizations were present at the program.

Members of Alpha Phi Omega are James Allen, Jr., Frederick Bass, Willy Joe Battle, Renard Bennett, Kevin Boynton, Cleveland Byrd, George Clark Crittenden, Milton Crittenden, Ollie Davis, Jr., James Eccles, Gary Fletcher, Willie Lewis Floyd, George Hannah, John Henry Holman, Anthony Jones, David Martin, Ronald McMillan, Henry Miller, John Morris, Willie Pyfrom, Antoine Russell, Johnny Rutledge, Willard Taylor, Jr., and James West.

FFA winners prepare for district match

BELLE GLADE — Winners of the sub-district Future Farmers of America Vocational Agricultural Competition will represent the area January 15 in the district matches.

The sub-district competition in parliamentary procedures, public speaking and tractor driving was held Friday, Dec. 4, at West Tech. The district match will also be held at West Tech.

Daniel Moesly of Lake Worth won the tractor driving competition. He represented South Tech.

James Rodgers of Pahokee came in second, followed by Jeff McDougal of Boca Raton, Jeff Danon of Glades Central and Harry Willis of Atlantic.

The Pahokee High team will represent the area in the parliamentary procedures competition after coming first in sub-districts.

Boca Raton and Atlantic high schools came second and third respectively.

Cathy Smith from Atlantic High won the public speaking title and Gary Adone from Boca Raton came in second.

PARLIAMENTARY PROCEDURE was best demonstrated by the Pahokee High School team, above. They will represent the area at Districts in January.

WINNERS — Cathy Smith, left, from Atlantic High School won the sub-district competition in public speaking at West Tech Friday, Dec. 4. Daniel Moesly, right, won the tractor driving competition. Moesly represented South Tech in Lake Worth.

Club plans parade, carnival

PAHOKEE — The Glades Ebonique Ladies Club will present its Second Annual Christmas Parade and Carnival, Saturday, Dec. 12 beginning at 10 a.m.

Santa Claus will be riding in the parade and the Glades Ebonique Ladies invite all children to come out and participate in a day of fun. The East Lake Middle School Band also will be marching in the parade.

Following the parade a day long carnival with lots of games will be held at Pelican Park, located adjacent to Pahokee Housing Authority.

Clubs or organizations that would like to participate in the parade and the carnival may contact Mrs. Patricia Wallace at 924-7030 for additional information.

Glades to host barbecue

BELLE GLADE - The Tri-Cities League will once again play host to the Palm Beach County Municipal League's Barbecue Friday, December 18.

The 12th annual barbecue will begin at the Belle Glade Marina Pavilion on Torrey Island at noon and continue throughout the day.

About 300 guests from Palm

Beach County cities are expected to attend the event which will feature free boat cruises on Lake Okeechobee, free green fees at the golf course and camping at the marina.

Barbecued ribs and catfish with two trimmings will be served to the visiting city government members. Invitations have been sent to all

Palm Beach County city governments, the county legislative delegation, United States Congressmen and Florida's United States Senators.

"We really get a lot of goodwill out of it for what it costs us," said City Clerk June H. Boglioli.

The Marina Pavilion will also be dedicated during the day.

The Tri-Cities League which sponsors the barbecue every year is composed of Belle Glade, Pahokee and South Bay. The cities share in the cost of the event.

Other events held by the Municipal League throughout the year are sponsored by other municipalities belonging to the county-wide league.

Lisa Hatton

Hatton-Anderson plans are announced

PAHOKEE - Final wedding plans have been announced for the approaching marriage of Miss Lisa Dianne Hatton and Russell Mark Anderson.

The bride-elect is the daughter of Dr. and Mrs. R.L. Hatton of Pahokee. The groom-elect is the son of Mr. and Mrs. Russell Otto Anderson of Palm Beach.

The couple will exchange wedding vows on Saturday, Dec. 12 at 8 p.m. at the First United Methodist Church of Pahokee with the Rev. Daniel Coleman officiating.

A reception will be held at the home of the bride's parents immediately following the wedding ceremony.

No local invitations are being sent. All friends and relatives of the couple are invited to attend both the wedding and the reception.

Card of thanks

East Lake Middle School Principal Mr. Ernest C. Thompson Jr. and Red Cross Sponsor Mortelle Thomas, would like to extend their appreciation to all students and teachers for a successful annual East Lake Thanksgiving drive.

The Red Cross Youth members take pleasure in sharing in the giving of Thanksgiving baskets to the senior citizens in our community.

Money & Consumers

Tax planning

Now is the time to begin planning a year-end tax strategy. Tax experts advise getting an early start this year because of significant changes in federal tax laws brought about by the Economic Recovery Tax Act of 1981.

Although the new tax package is expected to benefit the majority of taxpayers at one time or another over the next few years, taxpayers with discretionary income or savings will probably have more opportunities to take advantage of the changes. For example, taxpayers possessing some form of income other than salary may wish to look into the feasibility of deferring or shifting some of that income to 1982 or even to subsequent years when the lower tax rates will take effect. Others may find it to their advantage to accelerate some of their deductions or losses into 1981 to take advantage of the higher tax rates this year. And, taxpayers with substantial savings may wish to invest in new tax-exempt offerings such as All-Savers Certificates.

Whether you have a professional do your taxes or plan to do the work yourself, you should use the month of December to review your finances and make policy decisions about how to handle income and investments to ensure you gain the most from the new tax laws.

Floridians can direct any questions about federal tax matters to the Internal Revenue Service (IRS) Office in Jacksonville by calling toll-free (1-800-942-3860) and request a copy of IRS Publication 17 entitled "Your Individual Income Tax Return." Among other things, this pamphlet explains the 1981 changes in the law in layman's terms.

Investors must act quickly to take full advantage of new tax law

BELLE GLADE - Investors must act before the end of the year to take full advantage of the Economic Recovery Tax Act of 1981, although the major tax and investment incentives will not take effect until January 1, 1982, according to Thomas L. Altman, manager of E.F. Hutton's Belle Glade office.

"For the remainder of the year, losses, deductions and interest expenses are especially important for taxpayers, and realizing losses this year when tax rates are higher will save more money than after January 1," Altman explained.

Altman suggested several specific investment areas affected by the law that investors should focus on immediately:

Monthly coloring contest sponsored

BELLE GLADE - The Public Affairs Department of the Belle Glade Junior Woman's Club is sponsoring a monthly safety coloring contest for first grade students.

The winners of the November "Animal Safety" contest were: Mitchell Sutterfield, Belle Glade Christian Academy; Melissa Munter, Christian Day School; Gretchen Bowles, Glades Day School and Erica Mock, St. Peter's Lutheran School.

Each winner received a blue ribbon. The overall winner, Mitchell Sutterfield, also received a book entitled "The Bears Find Thanksgiving" by John Barrett.

Since the new law means that taxes will be lower in 1982, investors will save taxes in the 1981 tax year by taking deductions before the end of this year.

Tax swapping, a method of trading an existing holding for another with similar features to offset gains or income for tax purposes,

will save more taxes now than after January 1.

Since tax rates will decrease beginning in 1982, individuals will save taxes by deferring income into the future. When purchasing stocks and bonds, look for those that make their dividend or interest payment in 1982; also consider discounted securities that mature next

year such as corporate and municipal bonds.

Look for investment programs that provide deductions in the early years of the program and defer gains and income to later years when the rate eventually will be 25 percent lower.

Weigh the possibility of annuities, an investment that defers income into the future. Tax is paid only on money withdrawn from the annuity which exceeds the initial investment, and those withdrawals will typically take place when the individual falls into a lower tax bracket.

Review estate plans soon to assure full advantage is taken of the changes in the law. Under 1981 provisions individuals can leave only half of their estate tax-free to their spouse. The new law allows the passing of all of it.

"By acting now, investors can still profit by the immediate opportunities offered by the largest tax cut in American history," Altman emphasized.

A detailed brochure explaining the new tax law may be obtained from Hutton's Belle Glade office by calling 996-0404.

Staff photo by Brenda Bunting

THE OVERALL WINNER in the Belle Glade Junior Woman's Club monthly safety coloring contest was Mitchell Sutterfield, a student at Belle Glade Christian Academy. Shown from left with Mitchell are Mrs. J.P. Feld, Belle Glade Junior Woman's Club Public Affairs Chairman Cindy Boer and J.P. Feld.

Obituaries

CELIA BERKOWITZ WALDMAN
Celia Berkowitz Waldman, 82, of 1739 Belle Glade Road, Pahokee, died Sunday, Nov. 29, at Everglades Memorial Hospital. A native of Luzerne City, Pa., and a resident of Belle Glade for 30 years, she was coming here from Wilkes-Barre, Pa. She was a member of Temple Beth-Shalom, Belle Glade, and the American Technion Society of Miami.

Survivors include one daughter, Marjorie, Lakeland, Fla.; one brother, Murray Berkowitz of San Antonio, Texas; six sisters, Ruth Goldstein, Bay Harbor Pt., Bertha Friedman, Miami, Mildred Oster, Atlanta, Ga., Rebecca Goldberg, Lakeland, Fla., and Laurie Segal, Lakeland, Fla.

In lieu of flowers, donations may be made to a favorite charity or to the American Technion Society. Wetherington Funeral Home in Pahokee was in charge of arrangements.

REFUGIO GARCIA, JR.
Refugio Garcia, Jr., of 227 Azucena Rd., South Bay, died Dec. 1, as a result of an apparent drowning accident at the NE 1st Street Extension on the North New River Canal two miles north of State Road 80.

Mr. Garcia was a native of Nuevo Laredo, Mexico, and had lived in the Glades off and on for four years, coming here from Texas. He was a Catholic.

at the time of his death was employed by South Bay Growers.

Survivors include his parents, Refugio, Sr., and Felipa Garcia of South Bay; a daughter, Jessica Garcia; three brothers, Delfino Garcia of Laredo, Texas; Gerardo Garcia and Humberto Garcia, both of South Bay; two sisters, Dora Martinez of South Bay and Juany Charez of Laredo, Texas; and his step-brother, Refugio Garcia, Jr., a city commissioner in South Bay.

Rosary services were held at the Mison Funeral Chapel Dec. 5th with Fr. Joseph Santa-Bibiana, S.D.B. of St. Philip Benizi Catholic Church in Belle Glade officiating. Further services will be under the direction of the Jackson Funeral Home in Laredo, Texas, and burial will take place at the Catholic Cemetery in Laredo, Texas. Mison Funeral

Home in Belle Glade was in charge of local arrangements.

James H. McMahon
James H. McMahon, 27, of 1017 N.E. 24th Street, Belle Glade, died Dec. 7 at Good Samaritan Hospital in West Palm Beach. He was a native of Corinth, Miss. He lived in the Glades in 1973 and 1974 and returned in Jan. 1981 from the Virgin Islands.

He worked for an oil company in the Virgin Islands and left due to poor health. He was a member of the Chosen Missionary Baptist Church in Belle Glade. Survivors include his brother Douglas McMahon of Corinth, Miss. and three sisters, Nellie Miller of Belle Glade, Martha McMahon and Hazel Price, both of Michie, Tenn.

PIGSKIN PROPHETS 1981

It turned out to be a tough week for most of the forecasters with the best record being 9 wins and 5 losses by **Talmi The Teller of Florida National Bank**. **Buddy Morris of Slim's Fish Camp** came in second place with a 9-5 record also and 40 points on the tie breaker.

Mike Burkett of Lake Hardware held on to his lead again this week in the overall standings with a 103-51 record. **Frank Davis of Glade & Grove Supply** is close behind in second place with 101 wins and 53 losses. **Steve Woodard of Lockhart Ford** slipped to third this week with a 100-54 record.

This is the last week of forecasting so the winner will be announced in next week's paper.

OVERALL STANDINGS TO DATE

Lake Hardware - 103 wins 51 losses
Glade & Grove Supply - 101 wins 53 losses
Lockhart Ford - 100 wins 54 losses

Wes Pak opens in Pahokee

PAHOKEE - Wes Pak opened a store in the Pee-Hokey Plaza, Pahokee, late last month.

The meat outlet specializes in fresh cut, frozen beef, pork and poultry products.

The new store is managed by Susan Addison, who is assisted by Diane Stevens.

According to Addison, the Pahokee store is the sixth in a chain which includes stores in Fort Myers, Fort Pierce and Belle Glade.

Those who have never shopped at a Wes Pak are given a tour of the meat lockers and told how to place their orders. It is less expensive to purchase bulk orders, according to Addison.

Aside from the regular cuts of meat, the store also sells duck, hen, shrimp, Florida and Maine lobster, frog legs, Alaskan crab legs, and stone crab claws.

The store is open 9 a.m. to 6 p.m. Monday through Saturday.

SUSAN ADDISON, right, stands in front of the meat lockers at Wes Pak meat market in Pahokee. Her daughter, Kathy Murphy, stands beside her.

Re-districting has little impact here

By JEFF BROWN

BELLE GLADE - The Palm Beach County Commission is in the process of re-drawing district lines, but the re-apportionment should not affect the Glades area, according to Commissioner Bill Bailey's office.

The county reapportionment its five districts every 10 years after a census reveals population patterns.

With approximately 1,000 square miles, the Glades district covers the largest area of the five county districts. However, its 37,000 population also makes it the smallest district demographically.

"Ten years ago, the commission made an attempt to extend the district's borders east, as far as Military Trail in West Palm Beach. That attempt was thwarted, in

large part due to the efforts of Attorney John E. Baker, who pointed out the vast cultural and social differences between the Glades and the four coastal districts.

Baker's defense at the time rested on the word "practicable" in the Florida State Constitution.

According to Mike Saunders, administrative aid to Commissioner Bill Bailey, a redrawing of the district line to Military Trail could have almost doubled the population and created a situation where the Glades had no representatives on the commission.

"What if someone from the Military Trail area decided they wanted to run?" Saunders asked. "They could win and what interest do they have in the Glades?"

Paprika is one of the most concentrated sources of Vitamin C.

GULFSTREAM GOODWILL INDUSTRIES opened up its Belle Glade store Thursday, Dec. 3, at noon. Executive Meredith L. Kinna, left, shakes hands with Belle Glade Vice-Mayor Claude Tindall during the ribbon cutting ceremonies.

BELLE GLADE-PAHOKEE, FL.

Last Glades team left in football playoffs...

Clewiston claims sectional crown

Dunnellon is playoff grid foe

Over the past five years, Clewiston and Dunnellon have been two of the most successful Class AA football teams in the state.

They meet for the first time ever Friday, Dec. 11, in a semi-final football contest at Dunnellon.

Clewiston brings an 11-1 record in the game, while Dunnellon is 9-3.

Dunnellon won back-to-back state championships in 1978 and 1979 for Coach Richard Kennedy, but were eliminated from the playoffs last year by Clermont.

Clewiston has won three district championships, two regional championships, a sectional championship and competed in two post-season bowls under Coach Al Morrell during the same period.

Friday at 8 p.m. the two teams clash for the right to meet the winner of the Jacksonville Bolles-Wakulla Crawfordville game a week later in the Class AA championship of Florida. It's a game that will be played in Clewiston if the CHS Tigers can beat Dunnellon Friday.

Kennedy says his young team (only five seniors see much playing time) relies on a 4-4 defense and the wishbone offense. The Dunnellon Tigers have no super stars, he says.

"We are not the type of ball team to put many points on the scoreboard," he says. "They (Clewiston) throw more than we do." Though five hard hitters of driving separate Clewiston and Dunnellon, Kennedy shows more than a nodding acquaintance with the Tigers from the cane lands of the south.

"We think they have a fine football team. They have a lot of speed and are well versed in the run and the pass. They have an excellent kicking game," Richardson said.

Clewiston Coach Al Morrell has a pretty good idea of what Dunnellon is all about as well.

"We are expecting a more aggressive, more physical ballgame. Though they lineup in the wishbone, but they run mostly power," Morrell says.

In the backfield, Dunnellon has 6-0, 200 pound tailback Jerry Young and 5-10, 196 pound fullback Fred Williams along with a very quick 5-5, 150 pound running back, James Blanchard.

"They have a big, fast backfield, the best that we've faced all year," says Morrell.

(Continued on Page 2)

COACH AL MORRELL... Registered the full gamut of emotion Friday, from fiery intensity...

To close scrutiny...

And finally to jubilation as Clewiston's first football sectional championship seemed finally in the bag.

Tigers trounce Pine Crest, 28-14

By JIM JONES

Fort Lauderdale Pine Crest's running backs were more punished than punishing, Friday, Dec. 4, but it was the lack of an effective passing game which most hurt the number-one ranked Panthers.

Haarts broke in Fort Lauderdale as Melvin Williams, 5 foot 10, 160 pound Clewiston speed merchant, intercepted four Pine Crest passes Friday to destroy Panther hopes for a state championship.

Clewiston's 28-14 win earned the Tigers a Section 4 championship and the right to face Dunnellon Friday, Dec. 11, in a semi-final football contest.

"When they went to the air we hurt them," Clewiston Coach Al Morrell said. "Melvin had a super ball game. He just made one big play after another."

Despite Ft. Lauderdale's impressive credentials entering the game (Number one ranked Class AA team and undefeated in 11 games), Morrell said that Pine Crest was not the best ball team Clewiston had faced this year. Clewiston beat Pahokee by one point during the regular season and lost 7-0 in overtime to Fort Myers this year.

Morrell said that while he didn't think Clewiston had peaked as a football team, he thought the Tigers had enjoyed one of their better ballgames against the Panthers.

"The best team won. I hope they go all the way," said Pine Crest Coach Bill Munsey. "Morrell did a great job of coaching."

Munsey, coach of the private Ft. Lauderdale school for the past 29 years, pulled on his pipe, and said, "I'll tell you, they are going to be tough. They are going to go a long way."

Munsey was wistful as he recalled that his Panthers have never advanced past the regionals, having now been beaten by Clewiston twice and Pahokee twice.

"You just don't realize how fast they are until you come over here," Munsey mused. "We never got off the bus. Nobody seemed like they wanted to tackle. We weren't ready to play."

Clewiston proved its readiness to play on the first series of the game, marching 65 yards for a touchdown. Melvin Williams returned the opening kickoff to the Clewiston 35

yard line. On first down, fullback Sammy White broke loose to the Pine Crest 49, a gain of 16 yards. In three plays, Clewiston punched down to the 38 yard line. Morrell showed his confidence in his running game by running on fourth down. Gerald Johnson responded by gaining five yards to the 35.

Clewiston chipped its way further down field on the next three downs, but still came up with a fourth down and eight situation. Morrell had quarterback Peta Walker hand off to Melvin Williams and the senior receiver darted 32 yards to the Pine Crest three. Two plays later, Sammy White punched in from the one yard line. Walker kicked his first of four PATs and the Tigers led 7-0. Clewiston would score seven points in each quarter.

"Morrell did a great job of coaching. The best team won. I hope they go all the way."

Coach Bill Munsey
Pine Crest

Pine Crest took the ensuing kickoff and drove down to the Tiger 28 yard line before fumbling to 270 pound Clewiston defensive tackle Randy Dixon with 3:11 left in the first quarter.

Putting together a 10-play drive which took them into the second quarter, Clewiston moved smartly down the field following the fumble recovery, but was unable to score, despite a 36 yard pass from Walker to Willie Benson. Pine Crest found itself in poor field position, however, following Sammy White's punt which rolled to the eight yard line.

Pine Crest showed a flash of power by moving the ball down field to the Clewiston 48 yard line, but a first down pass ended up in Melvin Williams' arms at the Tiger 15 yard line.

Clewiston promptly mustered an

(Continued on Page 2)

Glades Central girls off to good start

BELLE GLADE - The Glades Central Girls Basketball team are off to a good start having won their first two games of the 1961-62 season. The Raiders, Class 2A State champs runners-up for the past two years are led by seniors Diane Bussie, Davena Johnson, and Shirley Wilson.

Coch Mike Logsdon, entering his second year as head basketball coach for the Raiders said his team is awful young this year but expects to do well.

Last year coach Logsdon's team consisted of All-State starters Joy Burroughs, Mary West and Jessie Hansford. All three graduated and only Diane Bussie and Gloria Stewart saw much action with the trio last year.

In the opening game against Martin County last week, the Raiders defeated the Tigers 56 to 44.

Diane and Denise Bussie combined for 29 points and Gloria Stewart added 10 to lead the Raiders in scoring.

Veronica Parks led Martin County with 11 points and 12 rebounds.

Going into Monday's game played at Glades Central, Diane Bussie was the leading scorer and rebounder for the Raiders.

Scoring the first points in the game against Suncoast, the Raiders defeated the Chargers 74 to 29.

The Raiders jumped out to a 24-2 first quarter lead and easily manhandled the Chargers the rest

of the game. Coach Logsdon had four Raiders in double figures with Diane Bussie leading the scoring with 19 points. Gloria Stewart hit the net with 17 points and Sharon Roberts and Denise Bussie had 13 and 11, respectively. Pat Thomas led Suncoast with 16 points.

Also scoring for the Raiders were Annette Miller with 2, Karen Gooden with 2, Dawn Byrd added 4 points, Cerstina Kyles dumped in 4 and Sabrina Barnes and Cassandra Strachan added two a piece.

Starting in the line-up for the Raiders, Sharon Roberts, a transfer from Tampa, is playing guard for Coach Logsdon and presently is one of the team's leading scorers along with Diane Bussie and Stewart.

Playing for the Raiders this year are team members: Davena Johnson, Cassandra Strachan, Annette Miller, Diane Bussie, Gloria Stewart, Karen Gooden, Denise Bussie, Dawn Byrd, Carstina Kyles, Sabrina Barnes, Shirley Wilson, and Sharon Roberts.

The Raiders went 27-2 during the 1960-61 season. Although the Raiders are awful young, according to Coach Logsdon, Raiders' fans can look for another good Raiders Girl's Basketball team this year.

The Raiders games are played on Monday nights beginning at 7 p.m.

Lady Raiders

Dunnellon—

[Continued from Page 1]

On the line they have 6-2, 235 pound tackle Michael Kelly, and at tight end/safety is 6-0, 170 pound John Robinson, described by Morrell as a "super athlete."

As for Clewiston, a team which some figured would barely break

even this year, has rebuilt in a hurry and come an astonishing distance. Morrell believes the best may still lie ahead. The Clewiston Tigers seem to still be peaking and that could mean big trouble for playoff opponents.

Softball season, racquetball tournament planned.

BELLE GLADE—The Winter Softball League originally scheduled to start Dec. 1 has been rescheduled for January 11, according to Recreation Coordinator Mike Underwood.

The league's start was delayed because too few teams showed interest, according to Underwood.

Teams have until Jan. 4 to sign up. More information can be obtained from Underwood at 996-0100, ext. 243.

He said only three teams have signed up to date, and that a total of six is necessary to schedule the league.

Racquetball tournament

A racquetball tournament will be sponsored by the department during the week of January 18, according to Underwood.

The tournament will feature night games between single teams and double teams. Interested persons should contact Underwood.

MELVIN WILLIAMS (20) was a coach's delight Friday night, intercepting four passes. On this play, he ran 32 yards to the Pine Crest 32 yard line to set up Clewiston's first touchdown of the night.

Clewiston claims title—

[Continued from Page 1]

offensive drive taking it the length of the field and ending in a 35-yard touchdown pass from Williams to Willie Bagon with 2:43 left in the half.

Clewiston threatened once more with Hal White's 28 yard run to the Panther 19 yard line with six seconds left.

Williams grabbed his second interception midway through the third quarter and returned the ball to the Pine Crest 21. Two plays later, Hal White ran nine yards for the score.

Following the kickoff, Pine Crest desperately went to the pass, only to have Williams grab his third interception and return it to the Pine Crest 20, where he was tackled by 232 pound fullback Eddie Sear.

Clewiston seemed headed for another score, but after gaining a first down at the Pine Crest five could not punch the ball across the goal.

In three plays, Pine Crest moved out to its 11 yard line and put the ball into the air again. Willie Benson intercepted the pass and ran it into the end zone, but the score was nullified by a blocking below the waist penalty.

Pine Crest denied the Tigers a touchdown, however, and on fourth down, a Pete Walker field goal was wide of the mark.

Seemingly buoyed by its newfound defensive strength, Pine Crest dusted off the flea kicked play and scored its first touchdown on a 47 yard pass from quarterback R. C. Powell to running back Kip Farris with 6:30 left in the game.

Facing a 21-7 score, Pine Crest's first team all-star kicker, Henry Riggs-Miller, attempted an on-side kick. Clewiston tackle Wychlye Lovelace grabbed the ball and ran like a halfback to the Pine Crest 43.

The Tigers moved the ball down to the Pine Crest 21 before fumbling with 3:38 left in the game.

Three Pine Crest plays later, Williams had intercepted his fourth pass of the evening and returned the ball to the Ft. Lauderdale 20.

On a first down, Gerald Johnson ran the ball 19 yards to the one, setting up Hal White's one-yard touchdown plunge with 2:23 left in the game.

Facing a sure loss, Pine Crest scored once more with 17 seconds left in the game on Sear's one yard run.

"That was more passes than we've thrown in 11 games. They intercepted more than we threw all year," Coach Munsey said.

"Our defensive tackles played their best ball game of the year," Morrell said of Keith Thomas and Randy Dixon. "They took away the fullback dive. They were punishing Number 39 (Sear)."

Sammy White, playing with a sprained knee, turned in one of his best performances of the year at nose guard. "We kind of expected that kind of a ballgame from Sammy," Morrell said.

Another hard hitter, linebacker Ralph Brockington, led Clewiston with seven tackles. Leading tacklers included John Reid and Sammy White with five tackles each, and Marvin Dixon with four.

Gerald Johnson led Clewiston backs in rushing with 64 yards in 14 attempts. Hal White had 52 yards in eight rushes, Sammy White 44 yards in seven rushes, and Ricardo Finkley 41 yards in 13 rushes.

Pete Walker completed three of seven passes for 43 yards. Robert Holmes returned to action at quarterback and completed one of two passes late in the game.

Clewiston emerged from the game healthy, aside from Sammy White's sprained knee. White was expected to be running again by Wednesday.

Christian Day drops opener to Pahokee

By JEFF BROWN

The Christian Day Crusaders traveled to Pahokee last Tuesday and dropped their opener 77-52.

"Turnovers were the major problem I saw," said Crusader Coach Woody Salvatore. The Crusaders turned the ball over 24 times. The shooting game could also be improved, according to Salvatore. The team shot 32 per cent from the floor and 31 per cent from the free throw line. Alex Morales led the team with 21 points.

The leading rebounders were Luis Garcia and Roly Ramos, each with seven, but the Crusaders' best performance was turned in by Tavi Garcia who picked up six rebounds and eight assists.

The Crusaders were behind 36-22 at the half. "We were outscored the first and second quarters," said Salvatore, adding the second half was a bit more closely played.

Christian Day is a 1A team and Pahokee is a 2A team. The two will clash again December 23. The Crusaders played Jupiter Tuesday, Dec. 8, and play Moore Haven Friday, Dec. 11. The Moore Haven game is played away and starts at 8 p.m.

Status report heard on hunter survey

TALLAHASSEE—Some 8,000 hunters will be selected to participate in a survey to primarily solicit opinions on the state's deer management program.

The five-member Game and Fresh Water Fish Commission drafted a status report on preparations for the statewide survey during a meeting today (December 4) in Orange Park.

Staff members from the Commission's Division of Wildlife said the survey, in the form of a comprehensive questionnaire, will be mailed in January. The recipients will be randomly selected from some 250,000 persons who purchased hunting licenses in the state this year.

The survey will also include questions regarding hunter attitudes on the deer management program, what they would like to see changed, their opinion on seasons and other regulations, and what they see as future threats to hunting in general.

In other business, the Commissioners discussed items to be included during statewide public meetings to be scheduled throughout Florida between January and February. The meetings are held annually to receive input from citizens regarding management of wildlife and freshwater fish resources in the state.

In addition the Commissioners received a report from the Division of Fisheries concerning a request from the Putnam County Commission to prohibit open fishing in select areas of the St. Johns River during base spawning season.

The Division of Fisheries reported that although no biological justification is the establishment of these areas has been documented, the refuge concept is extremely popular with the public.

The Division recommended that two historical refuge areas in Lake George be closed to sport fishing during February and March of 1982. The Commission will consider an order at the January meeting to accomplish this closure.

Commissioners additionally accepted a proposal from the Division of Fisheries that a public meeting be held to discuss low water conditions on Lake Lanoux in Leon County. Other reports received by the Commission included a status of the special and nine-day hunts held this year. The Division of Wildlife stated it processed 68,169 applications for the regular nine-day and special hunts this year, compared to 65,600 last year.

The Commission has set its next meeting January 8 in Tampa.
